Ms. Chan,

Hope you are well.

Based upon our earlier correspondence, I have attached the following documents for your review in response to your department's June 1, 2016 information request letter for the Hickman's Family Farms (Hickman's) Arlington and Tonopah facilities, located at 32425 W. Salome Highway, Arlington, AZ 85322, and 41625 W. Indian School Road, Tonopah, AZ 85354. These documents are in response to Item #'s 7 and #10 of the June 1, 2016 letter.

Specifically, I am submitting the following documents as previously pledged:

1. Certification Statement;
2. Tonopah Facility Equipment (Generator) Rolling Totals for 2015;
3. Arlington Facility Equipment (Generator and Aboveground Gasoline Storage Tank) Rolling Totals for 2015;
4. 2016 Equipment List for Arlington and Tonopah.

Item #9 of the June 1, 2016 letter requests a rolling total of the operating hours of the Rotary Dryer, located at the Arlington facility. In 2015, the days of operation are as follows:

- 9/29/15 4 hours
- 10/23/15 5 hours
- 12/1/15 4 hours
- 12/4/15 4 hours

Lastly, earlier this morning I mailed the rolling totals from all generators used at Arlington and Tonopah for the calendar years of 2011, 2012, 2013, and 2014. They were sent Priority Mail via the United States Postal Service (USPS) to your attention. The anticipated delivery date for the package is Monday, Jun 27, 2016. For your records, a USPS Signature Tracking Number is as follows: 23141340000016075609.

If you have any questions regarding this submittal, or require any additional information, please feel free to contact me at any time.
